TKN

RESOURCE IDENTIFIER

{"name": "Token", "description": "A cryptographic token", "external_url": "https://token.org", "image_url": "https://token.org/img/logo", "icon_url": "https://token.org/icon"}

SUPPLY

21,000,000

DECIMALS

18

TOKEN TYPE

IMMUTABLE

Note: Immutable tokens can never have their supply or decimals changed after creation.

INITIAL LIQUIDITY (RUNE)

10

GENESIS EMISSION

90%

Note: All RUNE sent in the genesis transaction will be locked in the token's liquidity pool and will set the starting price of the token. It is recommended to emit no more than 99% of tokens to prevent high price volatility of the token in the pool. Learn more here.
